## **Performance of the Institution in the Area Distinctive**

### **To its Vision, Priority and Thrust**

- The VISION of the Institution is “to propagate education to girls in the rural and urban elite of the district, as per the New Education Policy. We also target the overall personality development of our students by offering them many opportunities through our education process.”

We, as a premier institution for higher education of girls, has been prioritizing the following area of distinctiveness in accordance with our stated vision-

### **QUALITY TEACHING LEARNING ENVIRONMENT & CONSISTANTLY**

#### **GOOD ACADEMIC RESULT**

1. We, at Kala Wanjya Mahila Mahavidyalaya, Ballarpur provide exemplary teaching learning environment for our students. Our basic motto is “Student first”. We have a very strong pool of talented teachers, who never fails to give their hundred percent to the students and always ready to keep themselves updated with the changing academic scenario. Our infrastructure is very strong. The entire campus is covered under high speed Wi-Fi internet. Our Library has maximum books useful to readers. We have enough sophisticated water filter at the college. The Toilets are modern and clean. Office staff and support staff are ever smiling and ready to help to the students all the time.

2. We are very strict with attendance and students are frequently reminded of the fact that a minimum of 80% attendance is required to enable themselves to sit in the University examinations. We always make sure that 100% course completion is achieved, every session in time, course revision, remedial classes, tutorials, continuous evaluations are done with

100% transparency and perfection. All these efforts together ensure that our students perform brilliantly in university examination. In fact with pride we can say that our results over a period of 10 years have been the best among all other colleges of the district.

**Apart from that :**

1. We have a study center of the YCMOU Centre in the college that offers a wide band of UG and PG courses in distant mode.
2. We provide free career counselling and free coaching to our students for various examinations.

We believe our efforts are going to bear fruit in near future and ours is going to be a Centre of Excellence in the entire region
