## **SWOC analysis of the department:**

### **Strength:**

In addition to the formal methods, the greatest strength of the department has been the teacher-student intimate relationship that has kept the department alive. The girls students are obedient to their learning and they are skilled in different games and sports.

### **Weakness:**

The socio-cultural background of the students, many of whom are first generation learners from poor and backward families, is a major drawback for the development of the department. The poverty of the students often leads to their malnutrition and poses hindrance in their physical development, which is a must for pursuing a career with Physical Education.

### **Opportunities:**

The learners are always made aware of the wide scope for their future life and profession.

### **Challenges:**

To make the College secure a better position in Gondwana University, Gadchiroli as well as among the General Degree Colleges, especially in the field of Games and Sports.

### **Future Plans:**

1. To make a suitable playground for all kinds of sports events.
2. To make a Gymnasium in the Campus with well equipped.
3. To introduce infrastructure for indoor games and sports.
4. To organise in larger number Inter College Athletic Meets and Other Sports Tournaments in the College.
